### What we achieved in 2011

- 2500 students from 32 schools attended - from Ingham, Ayr, Charters Towers, Townsville, Palm Island, Proserpine, Bowen, Collinsville, Cloncurry, Hughenden and Mt Isa.
- 65 individual exhibitors plus 19 Try-a-Trade activities by BRIT, TecNQ and TORGAS.
- Approximately 6500 Try-a-Trade places were utilised.
- Feedback from Exhibitors, Schools and Students has been positive.

**Your support is what makes this possible.**

### What we are doing in 2012

- We have brought the date forward to avoid the V8 Supercar bump in. This means we will have access to the entire venue and hardstand which will alleviate all the space and parking issues.
- We are in the process of updating the website and will let you know when on-line registration is live for 2012.

This is an excellent way to gain access to 2500 potential jobseekers in the North Queensland region.

Please contact me should you have any queries.

Kind regards  
Cath
